

Clerk's report

Mattishall Parish Council

March 2023

1. Village Map – Cllr Piper and I met with Scarning Art Club to discuss the possibility of them creating a village map like they did for Swanton Morely Parish Council. The club had confirmed they would be more than happy to create the village map for Mattishall and in return would ask for a donation. The charity they are currently supporting is Caister Lifeboat. They were kind enough to disclose that Swanton Morely Parish Council donated £250.00. Other costs to consider would be the printing of the map, which could cost circa of £100.00 and the frame or notice board for it to sit in. I have sent an email to LF & HF Harrisons, for an initial quote so that we have a better understanding as to how much the project would cost. Things to consider would be Location, size, what to include and cost. Cllr Piper and I noted that Swanton Morely Parish Council had commemorated the map to the Queen Jubilee and thought it might be fitting to do the same for the Coronation? I will bring a copy of Swanton Morely's village map (printed to scale) to Monday's meeting which gives a good indication on size and content.
2. Michlmayr had found some mechanical faults within the clock which couldn't be left. This work will be carried out next week, it is work outside of the scope they originally estimated for but due to the delays there end they will carry out free of charge.
3. No further update on the A4 directory.
4. Mr Taylor was pleased to hear that the Council had agreed to add Private Norman Wrighton to the War Memorial. He mentioned another soldier Private Albert James Frost who he believes also should be added to the War Memorial and asks the Council to also agree for him to be added along with Private Wrighton (details provided in email).
