*Grant of Exclusive Right of Burial gives the owner right of burial in a grave for a period specified by the Council which is currently 99 years. Ownership of an Exclusive Right of Burial does not imply ownership of the land itself which remains with the Council.

Deed of Grant (for an Exclusive Right of Burial) is an important legal document that confirms you are the current owner of the grave and this should be stored in a safe place.

A headstone cannot be erected until a Grant of Exclusive Right has been purchased.
Fees were agreed at a meeting of the Parish Council held on 7th November 2022. The Parish Council is no longer taking reservations in the Cemetery.
