3PL/2021/0425/D / 3PL/2021/1670/VAR: 19 Plot 5 Gregs Close; Variation of condition no2 on 3PL/2021/0425/D – revised design to plot 5 - No comment from the Parish Council.

3NM/2021/0110/NMA: Poplar Farm, 41 South Green; Non material amendment - No observation as no formal consultation.

3OB/2021/0058/OB: Land South of Dereham Road; The seller (Hopkin Homes) intends to sell the 8 affordable housing plots to Saffron Housing Trust who will let them with “affordable” rents - No comment from the Parish Council.

3PL/2021/1618/HOU: 17 Cedar Close; Revised proposed elevation and floor plan –
1. No details of the 400mm retaining wall have been provided. Despite the Parish Council's request, its method of construction and drainage has not been provided.

2. The rear elevation drawing shows a new rainwater down pipe to the proposed extension. Drainage details are required as to how this additional rainwater and that from 1. above will be dealt with.

3. The application does not show clearly the proposed works in relation to the neighbouring property, contrary to Government Guidance- "Guidance on information requirements and validation" DCLG March 2010.

4. The Parish Council comments on the unconventional proposed layout, and questions whether the use of the proposed extension has been correctly described. The proposed living/dining room extension is accessed internally only via the master bedroom. It appears illogical to take meals from the kitchen at the other side of the property through the master bedroom to the new "dining room."

3PL/2019/0375/F: Four Winds, Mill Road; Discharge of condition No 10 - Mattishall Parish Council is pleased that BDC recognises that the above condition has not been satisfactorily discharged. The Parish Council had previously made BDC aware that this development had proceeded beyond slab level- in fact roof structures are now in place and partially tiled. This is clearly contrary to the condition appropriately attached to the approval, and fundamentally necessary on grounds of highway safety. Furthermore, the Parish Council is aware of neighbour concerns that the lack of an effective metalled entrance and failure to widen the road as required is causing great inconvenience. The Parish Council therefore requests that BDC now instigate immediate planning enforcement action. The Parish Council would appreciate being kept advised of the action taken.

The planning working group informed the council that Hopkins and Moore are now Denbury Homes. The group circulated a response to his questions raised regarding the bus shelter, the open space land and site visits. - 7.2. Cllr Piper reported that the Open Spaces Working Group and Clerk are extremely pleased with Ian Edwards workmanship and his excellent communication. All were in favour of his proposal and agreed this would really benefit the village, and due to the current changes to the highway code this could be a good opportunity to ask. Cllr Fowler will contact Terry Wilkins for data and draft an email to Norfolk County Council. It was also proposed that holding a public consultation would be the primary way of communicating with our residents to seek their views. It was unanimously agreed to publicise the consultation in the upcoming edition of the Miscellanea asking residents to fill out a survey.

No correspondence had been received.
